TRI-CITY RED
AMERICAN LEGION BASEBALL
2011 REGISTRATION

DEAR PARENTS AND PLAYERS:

Basic information about the Tri-City American Legion Baseball program, including parent involvement, team structure, and registration / tryout dates and times, is contained herein. Please review it thoroughly and carefully! We are looking forward to another successful baseball season and hope that you will be a part of that season!

PROGRAM, COMMITMENT & PARENT INVOLVEMENT

This 16 through 19 year-old program provides an opportunity to play baseball in an environment that encourages development of fundamental skills in a team setting. It is a very competitive, but enjoyable, way to spend the summer. Please remember that registration represents a commitment to coaches and teammates to attend all practices and games. While periodic absences for planned family events can be accommodated, it can be difficult to work around regular and/or unplanned absences with respect to team pitching rotations and position player assignments for games; in other words, a lack of responsible participation hurts other teammates and the team as a whole. If planning to tryout for and play in another league, please remember to complete that respective section of this registration form, so that we are aware of potential conflicts that might exist and can plan accordingly.

Most youth sport organizations require parental involvement to make the program a success. Our program is no different. As parents, you will be asked to participate by making a commitment to assist with league or team activities, such as fundraising, concessions, etc.

TEAM STRUCTURE, ELIGIBILITY & SCHEDULE

Tri-City Red's program is governed by National and Minnesota American Legion Baseball Rules. Eligible players are those born on or after January 1, 1992, who attend Mounds View High School. (Those who attend another school, but who live within the Mounds View HS attendance boundary and/or nearer to Mounds View HS than another school that serves as a base school for an American Legion baseball team, may also be eligible. Due to such complexities with the American Legion's player eligibility/selection rules, to confirm eligibility, please contact Tri-City Red's staff, providing the player's legal address of residence.) Players are selected based upon their eligibility under American Legion rules (e.g., age, school of attendance, residency) as well as their skill level, playing experience, ability to play specific positions, etc.

Registrants must be committed to a minimum of five to seven days per week for practices and games. Tri-City Red plays a highly-competitive District 4 league schedule and participates regularly in weekend tournaments and non-league games (requiring out-of-town travel). The regular season begins in early-June and continues through July. The State and National playoff tournaments begin in early August; registrants should expect that they will still be playing in August. League games are generally played Sunday-Thursday, usually starting at 6:00 p.m. at metro ball fields. Detailed schedule information will become available as the season approaches.

REGISTRATION & TRYOUT PROCEDURES

In order to be considered for the team, all prospective players must register by fully completing this registration form. Completed forms should be mailed to Tri-City Red Head Coach, Rus Poser (at the address shown on the next page) **by Saturday, April 16, 2011.**

All registrants must then attend the tryout session (see next page), at which time they must show proof of age (e.g. a driver's license.) After tryouts, each player will be contacted by phone or e-mail regarding his status. For those selected, a registration fee of \$425 will then be payable. (Please note that parents/players may be obligated to pay for additional expenses, such as lodging for out-of-town tournaments, meals, personal item/clothing expenses, etc. Players and parents will also be expected to participate in additional fundraising activities to meet program expenses.) An original birth certificate for each rostered player (which will be held by the team during the entire season) will be collected at a subsequent Parent/Player Team Meeting; therefore, parents might wish to obtain an extra original birth certificate for this purpose now.
