

Statewide American Legion Coaches & Media Poll

Each week during the season, a panel of 15 respected coaches and analysts of amateur baseball from across the State of Minnesota individually choose their top ten Minnesota American Legion Baseball teams -- ranking the teams, from first through tenth place. Ten points are awarded to a team for a first place vote, nine for a second place vote, and so on, with a tenth place vote earning one point. The votes are tallied by a non-voting third party and forwarded to several Minnesota newspapers and baseball publications.
