

RED DROPS LEAGUE GAME TO ROSETOWN, 4-1

Minneapolis, Minn. (July 17) -- Tri-City Red lost their third league game of the season on Wednesday night, a 4-1 loss to Rosetown at Siebert Field on the campus of the University of Minnesota.

The lone run for Red came in the top of the fifth inning, when Matt Herold drew a leadoff walk. After John Abercrombie came in to run for Herold, Cole Stenstrom singled to put runners on first and second for Ben Kettelhut -- who also singled to load the bases. Sean Goldman stepped to the plate and singled to right field to score Abercrombie, bringing Red to within two runs of Rosetown. The inning came to an end on a lineout double play.

Red had effective pitching on the night, with Brett Bateman starting the game — lasting two innings, with two hits and three runs allowed, though only one of those runs was earned. Cole Stenstrom pitched the final four innings, allowing one earned run on three hits, with one walk.

Red's game Thursday against Hamline Red has been cancelled, due to Hamline Red not having enough players available; it is unknown yet if Hamline Red's will be able to reschedule. Red will be back in action on Friday when it faces Arcade-Phalen for a doubleheader at St. Paul Johnson High School. The first game starts at 4 p.m. — with game two starting shortly after the conclusion of game one.

Game Summary, July 17, 2019:
