American Legion Baseball Code of Sportsmanship:

I will ...

Keep the rules,
Keep faith with my teammates,
Keep my temper,
Keep myself fit,
Keep a stout heart in defeat,
Keep my pride under in victory,
Keep a sound soul,
a clean mind,
and a healthy body.

Pat Collins Field

Opening in 1995, Pat Collins Field is the gem of the Lakes Area baseball programs, playing host to high school, Legion, VFW, and Town Team games. But, if you talk to those who treasure the field, the bigger gem is the man behind it -- Pat Collins.

Collins came to Chisago Lakes in the late 80's, after having graduated from St. Cloud State in 1983 and spending his first few year as a science teacher in Sleepy Eye -- where he also assisted with the high school baseball program. He became the head baseball coach at Chisago Lakes in 1990, and he dedicated himself to not only improving a struggling high school program (accumulating a 268-154 record and five conference championships in his 21-year career), but also to reviving the Chisago Lakes American Legion and VFW programs.

Most would agree that one of Collins' most monumental accomplishments, however, was setting his mind to building a new high school baseball field -- in the middle of a corn field. Leading a group of dedicated volunteers, Collins was known to have personally traveled far and wide to barter and bargain for many of the materials himself -- including the light stanchions.

Although he loves baseball, Collins has always kept the importance of education in proper perspective; he has said that he is a science teacher who has happened to also coach baseball. In 2008, he challenged his middle school students to raise the money and undertake a community service project to install a 44-panel solar array on their school. They sold T-shirts, held dances, and organized a 5K run. It happened. And, today, roughly a decade later, nearly 1,000 solar panels sit atop the roofs of the District's five schools, thanks to Collins' initial leadership.

In recognition of his contributions, Collins was inducted into the Minnesota State High School Baseball Coaches Association Hall of Fame in 2014. He served as the MSHSBCA President from 2008 to 2010, coached in the All-Star Series, and he has been a long-time MN Twins Clinician, as well as working Gopher baseball camps.

Please enjoy your time at Pat Collins Field, as well as in the beautiful city of Lindstrom -- which offers a great deal of fine and hospitable establishments at which to eat and shop.

On behalf of Minnesota American Legion Baseball and our participating teams, welcome to the annual Sub-State #8 Playoff Tournament!

To reach this point in the season, many hours of volunteer service have been contributed by a number of people -- particularly by team managers, coaches, and administrators. I hope that you will take a moment to thank them for their time and effort, before the conclusion of this tournament.

In addition, all of the local American Legion Posts that sponsor our participating teams are owed a great deal of gratitude. Without their support and involvement, this program would not be possible. In addition to sponsoring the Baseball Program, the American Legion has an exceptional history of helping to keep our communities strong, through a multitude of community and youth service programs. Therefore, I would encourage you to thank them by patronizing your local American Legion -- and by considering membership in the American Legion (if you are a veteran yourself) or in the American Legion Auxiliary or the Sons of the American Legion (if a family member is a veteran.) Contact your local American Legion Post for further information.

I would like to thank the fine businesses and organizations listed later in this souvenir program for their support of this tournament, the St. Paul Municipal Umpire Association, and the Chisago Lakes and Tri-City Red teams for making their fields available to all of us.

Lastly, the success of the American Legion Baseball program in our area would not be possible without the support of parents and fans. So, thank you! Please consider continuing your support of the Program, even after your family's participation has ended, so that we can keep it strong for future generations of ball players.

Enjoy the tournament -- and the best of luck to all participating teams !!!!

American Legion Baseball History & Facts

American Legion Baseball has been, and continues to be, a tradition-rich stepping stone to adulthood for millions of American youth, who have gone on to serve their country or community, raise families and / or play the sport at the highest level ...

American Legion Baseball is considered to be the largest, oldest and most successful organized youth baseball program in the United States. All 50 states participate, as well as Puerto Rico. Almost 72,000 players are rostered annually on over 4,000 teams. Since its formal inception in 1926, over 10 million players have participated -- and it is considered to be a primary vehicle for players to develop their skills and achieve visibility with college and pro scouts.

American Legion Baseball has enjoyed an exceptionally strong tradition in Minnesota. (Some teams actually trace their continuous participation all the way back to 1923.) Minnesota's first State Tournament was held in Mankato in 1926, and it has been held every year since, making Minnesota one of only three states in the nation that has held a tournament every year since the program's national inception in 1926. In 1959, Minnesota topped the nation, by having more registered American Legion teams than any other state. The State held this distinction for nine years. Pennsylvania then surpassed Minnesota, with Minnesota being second for many years.

In 2014, however, Minnesota again topped the nation, having 306 teams; Pennsylvania was second with 299 teams, Nebraska was third with 281, Wisconsin was fourth with 207, and Illinois was fifth with 163. Minnesota has led the nation since, with 325-350 teams registering annually. There has also been significant growth in the number of Junior Legion teams (16-year-olds), both in Minnesota and nationally.

Division I Sub-State Playoff Tournament Champions from across Minnesota, as well as a host team, then compete in the annual 16-team Legion State Tournament (largest in the nation) to determine the State Champion. (A Division II State Tournament is also held annually, as well as Division I and II Jr. Legion State Tournaments.)

State Champs advance to one of eight Regional Tournaments held across the nation. A Host team, each State Champion, plus Runners-up from several states, including Minnesota, make up the 64 teams that compete in the eight-team double-elimination Regional Tournaments. (Minnesota's Division I Champion -- and its Division I Runner-up -- both advance to the Central Plains Regional Tournament, because of the high number of registered teams in Minnesota.) Regional Champions then compete in the World Series of American Legion Baseball, to determine the annual National Champion. Minnesota has produced five National Champions, as follows:

- Minneapolis Richfield Post 435 in 1943;
- Edina Post 471 in 1983;
- New Brighton Post 513's Tri-City Red in 1999,
- Rochester Post 592's Rochester A's in 2003, and
- Eden Prairie in 2011.

In 2002, Excelsior Post 259 was the National Runner-up; in 2007 and 2010, Eden Prairie was the National Runner-up.
